

IKOpro Fastick Cordless Dispense Gun

Product Code: 58990000

Offers Battery-Powered Dispensing with up to 950 lbs of Force

The IKOpro Fastick Cordless Dispense Gun enables the operator to dispense two-component materials easily without the need of any wiring or tubes. The gun offers intuitive features and the same quality and state-of-the-art engineering that has become synonymous with IKO. Lightweight and durable, the IKOpro Fastick Cordless Dispense Gun makes applying two-component adhesives quicker and easier with up to 950 lbs of force.

Features

- Constant flow with no motor oscillation
- Light-weight Li-Io battery
- Long run time
- 50% faster recharge than other models (fully charged in approximately 30 min)
- Generates 950 lbs (431 kg) of force
- Each gun comes with one battery and one charger

Benefits

- Utilises the Milwaukee 18 Volt Lithium Ion battery technology to create a powerful and low cost product with proven reliability
- Instant drive disengagement when trigger is released allows for controlled shutoff of adhesive
- User-friendly fuel gauge clearly displays battery charge level
- Lock switch prevents the gun from accidentally running to prevent wasted battery charge
